Ms. Geiser added that the RFID has been submitted and that she is now awaiting the refund.

Staff Reports

Interim Director Tracy Geiser stated that Addison is expected on January 17, 2018 to inspect the rooftop units and ensure they are working properly.

Interim Assistant Director’s Report

Text of the Interim Assistant Director, Irina Zaionts, written report dated January 4, 2018 below:

- In December my focus was on training Irene Winkler, the new Station Branch librarian.

- I provided extensive training on using Baker and Taylor including signing in and changing passwords, setting up and managing carts, selecting new books for Main and Station branches and transferring carts to Tech Services Department. I also showed Irene how to use the main functions on Time Sage, including applying for time off on the part of the employees, correcting information in employee time sheets and determining substitute employee availability.

- On December 11 we had an event in memory of Ruth Klement at the Lakeville Branch. The event was well attended by the Great Neck Library employees, Board members and patrons. Many appreciative affectionate words were expressed for the untimely passing of a beloved Lakeville branch librarian. I helped Alana Mutum to set up before and clean up.
• About a week ago we found out that Justin Crossfox and Christie Orquera were invited to the Alaska Library Conference in March to make a presentation about the Veterans’ Fair program which was a great success at the Parkville Branch this fall.

**Interim Director’s Report**

Interim Director Tracy Geiser announced that the RFID submission was delayed due to Innovative’s slow response time.

Text of the Interim Director’s written report dated January 9, 2018 below:

**ADMINISTRATION:**
• Our new Station Branch Head, Irene Winkler began on December 4th. I have received nothing but wonderful comments about her already from both staff and patrons alike. I think that she will really bring Station to life. She is already claiming Station as her own by rearranging collections to become more patron friendly. Irina, Steve and I have been over to the branch to help in getting Irene acclimated.
• An applicant has been accepted to become the new full time Librarian for the Parkville Children’s department. She will begin on January 22nd 2018. I know that the Parkville Branch will welcome her with open arms. We are looking forward to being able to expand our programming and other services with this new addition.
• An applicant has been accepted to become the new full time Circulation Manager. She will begin on January 22nd 2018. This staff member will run the day to day operations of Circulation at Main as well as assist the Branch Managers.
• Our new Administrative Assistant, Gina Chase began on January 2nd. Gina is the assistant to the Director and the Administrative Coordinator. Once Gina acclimates to her position this will allow Holly Coscetta to move forward with her Administrative Coordinator position which includes HR duties.

**MAIN:**
• Beginning December 1, the museum passes were divided up between the Main building and Parkville branch. All passes reserved through Parkville must be picked up and returned there and the same for Main. There has been a positive response to this change. NLS will host a meeting on January 9th regarding virtual museum passes. Wanda Lei will attend this meeting and report back on the possibilities of the Great Neck Library beginning this service for our patrons.
• Representatives from VRD, Calgi and KG&D are continuing to work on the malfunctioning HVAC unit located above the Reference office. Numerous meetings have been held. A representative from the HVAC company, Addison, was supposed to arrive on January 9th but the weather has pushed this date off. We are working on rescheduling a new date.
• All necessary information has been sent in to Innovative to move forward on getting our self-check machines running. The bills from Innovative have been sent in to begin the process of requesting our grant monies.
• Panic buttons have been approved and ordered for the departments in the Main building through Telstar.
• The Maintenance staff has been working to keep the building safe during our inclement weather season. Thank you Ever, Jose, Bogden and Charlie.

**BRANCHES:**
• MDA Designgroup Architects & Planners have been invited to the rescheduled January 22nd Branch Committee to be held at the Parkville branch. MDA was chosen to become our space planners to renovate the Parkville and Station branches. I am very excited to begin this project from the start.
• Wonderful news! Justin Crossfox, Parkville Branch Head and Christy Orquera, Librarian, have been picked by the Alaska Library Association to present their Veteran’s Fair program in March. This is a rare opportunity and we are very proud of and excited for them.
• The architectural drawings for the Parkville Certificate of Occupancy have been sent in to the town and we are awaiting the approval.
• A heartfelt memorial service was held at the Lakeville Branch on December 11, 2017 for our late and beloved Branch Head, Ruth Klement. The Branch Committee is currently discussing a fitting permanent tribute for Ruth.
