- Changes have been instituted to our book purchasing procedures after evaluation. Librarians in the Children’s Department have been trained to make selections and create order carts with our book vendors Baker & Taylor and Ingram. Arifa Shuja, Technical Services Librarian worked to train staff. All of our Librarians in the Children’s Department have been assigned sections and all have book selection responsibilities. The Librarians have embraced the changes. Our patrons will soon see new books filling the shelves.
- Changes have been made to the Non-fiction collection in the Children’s room. Staff is working to ensure that selections from all Dewey numbers are available for browsing and borrowing.
- Levels will now have a circulating collection. Jamie LaGasse met with teens in Levels to discuss their requests for the collection. Courtney Greenblatt worked together with Jamie to make selections.
- In addition to Summer Reading for Children and Teens, we are adding Summer Reading for Adults.

Tracy, Garry, and I worked with the two groups during the conference. Testing was done to identify specific rules. We have another telephone conference planned with Bibliotheca on Monday, June 18th to review criteria rules.
- Two-factor authentication is now in use. Additional measures are being explored to ensure the security of our network system.

MAIN:
- On a daily basis I have been submitting collection orders that each department requests as well as uploading the order records. I am also going through each deletion request. I have requested that many of the items be reordered if they are considered to be in unacceptable shape but are frequently used by the community. Items considered for deletion are those that are beyond repair, have unidentifiable markings or stains or are obsolete in their information.
- A vast majority of the travel books have been updated and all older versions have been sent to the Technical Services Department to prepare for a future book sale. A list will be furnished beforehand.
- Staff is working on updating our exam books as well so patrons will see many new updated items on the shelves soon.
- For the month of May, the Technical Services department has completed uploading over 5000 records for our new movie streaming service, Kanopy. Kanopy is currently available to our patrons for use.
- Our patrons can look forward to many new additions in our Children’s collection at Main and the branches! The Children’s Department has been trained in the use of Baker & Taylor and Ingram to order for the Children book collections. Beginning in our new fiscal year (July 2018), each librarian will be paired up with a collection in which they will become acquainted and will order for.
- Levels Manager, Jamie LaGasse and YA Librarian, Courtney Greenblatt are working together to form a small book collection that will be housed in the Levels department. This will allow teens the opportunity to check out items after library hours.
- The policy for the introduction of virtual museum passes has been brought to the Policy Committee and will have its final read at the BoT meeting on June 19, 2018. Once this final read is approved, we can begin the process of converting over our passes to virtual. We are excited about the prospect of the virtual passes as it will allow more patrons have use of this wonderful service.
- I will be working with Children’s Librarian, Christian Marra, on Harry Potter Fest to be held on June 18, 2018 at the Main building. Being a Children’s/Teen Librarian and a Potterhead I am looking forward to this program.

BRANCHES:
- Each Branch has been working on revamping their collections to make them more accessible to our patrons. Some collections have been shifted and many have new items ordered for them.
- The Branch Heads have begun setting up monthly staff meetings to ensure that everyone is kept up-to-date on what is going on at the Library as a whole.
- We continue to work with MDA Designgroup, our space planner for the Parkville and Station branches.
- The architectural drawings for the Parkville Certificate of Occupancy have been sent in to the town. The inspector is coming on June 14th to reinspect the building. We are hoping that this will be our final approval.
- The Branch Heads and Department Managers have planned some exciting summer programs for our patrons. I would like to thank everyone who contributed as I know that amount of meetings and time it took to complete this. The Branch Head and program staff have already scheduled meetings to begin working on our Fall newsletter.
- All buildings are participating in our Best Dressed Giraffe Contest to kick off the Children’s Summer Reading Club this year. Be sure to vote for your favorite best dressed giraffe!
- The Branch Heads have scheduled training with our Business Manager to be retrained on our scheduling software at the end of the month.
