Assistant Director’s Report
Assistant Director Tracy Van Dyne announced that the library is moving forward with virtual museum passes. This is exciting because it will allow more patrons to enjoy the benefits of the service. She reported that she, along with Denise Corcoran, has met with representatives of Baker & Taylor and Ingram regarding the purchase of “shelf ready” items which will get books on the floor quicker. This will also free up Technical Services staff to work on other important projects. Ms. Van Dyne added that the library’s multilingual book collection is being expanded with the addition of many new titles at the Main Library and all branches.

Text of Tracy Van Dyne’s, Assistant Director, written report dated September 2018 is below:

Main:
- The policy for the introduction of virtual museum passes has been brought to the Policy Committee and will have its third read at the BoT meeting on September 12, 2018. We are excited about the prospect of the virtual passes as it will allow more patrons have use of this wonderful service.
- In July, Denise Corcoran, Director; Deidre Goode, Head of Children’s; Adam Heinz, Youth Services Coordinator and myself, met with the Great Neck School District Administration, Dr. Teresa Prendergast, Superintendent; Kelly Newman, Assistant Superintendent, Elementary Education and Dr. Stephen Lando, Assistant Superintendent, Secondary Education to discuss how we could better serve our communities collaboratively.
- The RFID sorter is up and running! All collections have been added to the system and are being sorted in to their correct bins.
- Our first book sale since returning back to Main has been scheduled. It will be held on Thursday, September 13 4pm-8pm and Friday, September 14 10am-4pm. This sale will be Travel Books ONLY with encyclopedia and stamp book sets available for Silent Auction from September 7-14.

Technical Services:
- I submit all orders from each department and upload their order records.
- I am continuing to go through each deletion request. I have requested that many of the items be reordered if they are considered to be in unacceptable shape but are frequently used by the community. Items considered for deletion are those that are beyond repair, have unidentifiable markings or stains or are obsolete in their information.
- The TS department has been diligently working on the thousands of books that have been ordered for the departments over the summer. We are working on streamlining processes to allow the department to run more efficiently.
• We are working with two of our largest book vendors, Baker & Taylor and Ingram, on completing intake forms to begin receiving “shelf-ready” items. This will assist the TS staff greatly with the heavy load of items that are now coming in.
• The TS department met with the Branch Heads and Reference department to discuss updating the allocation totals and adding new authors that are automatically ordered (AYAT – Automatically Yours). These tend to be popular authors for both Fiction and Non-Fiction.

Branches:
• The Branch Heads will begin their next rotation on September 4, 2018. The Branch Heads will be as follows:
  o Justin Crossfox - Parkville
  o Alana Mutum – Lakeville
  o Irene Winkler - Station
• The Branch Heads have been trained to process their own magazines allowing for timeliness. It will no longer be necessary to send them to Main to be added in to the system and tagged.
• The Branch Heads were trained on how to use Ingram, one of our large book vendors.
• In the month of June, the Branch Heads met with each department to work on program scheduling for the Fall newsletter.
• Branch Heads continue to schedule monthly staff meetings with their branch staff as to keep everyone updated.
• We continue to work with MDA Designgroup, our space planner for the Parkville and Station branches. The plans for Parkville are being discussed with the school’s architect and can then move on to the State. The plans for Station are awaiting updated plumbing information from the landlord before moving forward. They need to be incorporated in to the new plans.
• Quotes for new furniture for the Lakeville branch are under discussion. We are looking to replace the tables, chairs, computer chairs, Circulation desk chairs and to add some additional storage seating in the Children’s area as well as repaint the walls.
