REPORTS

Branch Committee
Trustee Schaufeld reported that the committee met on November 5th. He said it was a very productive meeting and that resolutions approving the purchase of furniture for Lakeville is on tonight’s agenda.

Main Building Committee
Trustee Miller reported that the committee will be meeting in December.

Policy and By Laws Committee
Trustee Marcus reported that the committee met on November 8th. He noted that a STEM lab policy is on tonight’s agenda for a first read.

Fundraising Committee
Trustee Yan reported that the committee will be meeting on a future date.

Long Range Planning Committee
Trustee Marcus reported that the committee met on November 8th. He noted that the first read of the revised Mission Statement is on tonight’s agenda. The statement was moved forward by the Policy and By Laws Committee.

Technology Committee
Trustee Yan reported that the committee will be meeting on November 20th.

Grants
Director Corcoran reported that the IMA has been received for the STEM lab grant and that it is moving forward.

Director’s Report
Director Denise Corcoran commended staff on their professionalism during the annual election. She announced that the library participated in The Great Give Back, a community service initiative, through the programs Teen Craft-for-a-Cause and Sticks-in-the-Stacks. Ms. Corcoran shared that the Local History room is now open to patrons on Tuesdays and Wednesdays from 1pm – 3pm, Thursdays from 10am – 1pm and by appointment. She noted that shelving for the Main Library has been received and installed. She is very excited about sharing more of the collection with our patrons. Ms. Corcoran stated that she is working with staff on balancing the collection at all four of our locations and that she is collaborating with the Queens Library on foreign language titles. Ms. Corcoran announced that she met with Rebecca Gilliar and Jason Marra, Superintendent for the Great Neck Park District, to coordinate the return of the library’s art books. She reported that the new Emerging Technologies Librarian started and that he is eager to get to work on the STEM lab and many other things.

Text of Denise Corcoran’s, Director, written report dated November 2018 is below:
ADMINISTRATION & TRAINING

- The Library’s annual election was held on October 29, 2018. Ballots cast totaled 2,369. The Library staff is commended for their professionalism during the election process.
- The Great Neck Library participated in **The Great Give Back** which is a community service initiative with a mission to provide a day of opportunities for the patrons of Long Island libraries to participate in meaningful, service-oriented experiences. Our service initiatives were **Teen Craft- for- a- Cause** and **Sticks- in- the- Stacks**.
- The Local History Room will be open to patrons on Tuesdays 1pm-3pm, Wednesdays 1pm-3pm, Thursdays 10am-1 pm, and by appointment. In January, we plan to add additional hours including one night each week.
- We have been preparing the space which will house our new STEM Lab. In order to accomplish this task, some staff work areas had to be relocated.
- A new app has been installed on the staff computers of the Children’s department which allows staff to set time limits on I-Pad use.
- Print on Demand museum passes from participating museums are now available online to all of our patrons. For museums not participating in the program, traditional passes will still be available at Main and Parkville.
- Effective November 1, 2018 the Library discontinued distribution of plastic bags at Circulation in accordance with our commitment towards sustainability.
- Preparations have been made to accept the return of books from Rebecca Gilliar which have been stored at Great Neck House.
- Additional shelving has been installed at the Main Library.
- We have completed submission of information to our largest book vendors, Baker & Taylor and Ingram, in order for them to provide proposals and pricing for “shelf-ready” book processing.
- Docuware migration is still in progress.
- We continue to interview candidates to fill current vacancies.
- I continue to meet monthly with the Dept. Head’s president and the Staff Association president to ensure open lines of communication and good working collaboration.
- I have met and or had phone conversations with our patrons to resolve issues and hear suggestions for better service.

**Staff Longevity Milestones**

I would like to recognize and congratulate our staff for reaching the following longevity milestones:

- ★ Mimi Rabizadeh - 5 years in November
- ★ Barbara Buckley - 5 years in November
- ★ Jill Lee – 5 years in November

**Staff Trainings and Workshops**

COMMUNITY & OUTREACH

- On Monday, October 29th – Annual Election

MAIN LIBRARY

- New signage noting right of way has been installed in the parking lot. Right of way arrows have been repainted in response to safety concerns.
- We continue to work to resolve HVAC-punch list items.
- Staff work areas have been re-designated for better work flow.
- I worked with architects and planners to gather information needed for landscaping projects.
- Staff worked to prepare for installation of new shelving. The computer area was consolidated without the loss of any patron use computers.
- A retractable belt barrier has been installed at the bottom of the staircase near the vending machines. A sign will be affixed to alert patrons using Levels during evening programming that the Library area is closed.

BRANCHES

- Quotes have been received for new furniture for the Lakeville Branch and recommendations made for Board resolution.
- We are continuing our work with MDA designgroup on the Parkville and Station renovations.
- Inspection is scheduled for mid-November to obtain Parkville’s Public Assembly permit.

Assistant Director’s Report

Assistant Director Tracy Van Dyne reported that virtual museum passes are now available and that staff has been trained on how to process them. She shared that the Children’s Department now has an app that will provide them control over the amount of time patrons are on the I-Pads. This will allow parents to determine how long they want to allow their child to be on the devices. Ms. Van Dyne announced that the first quote for “Shelf Ready” books has been received from Baker and Taylor. She said that she will be reviewing it with Denise Corcoran since it is a very specific and detailed quote. Ms. Van Dyne stated that she has been working with Technical Services and the branches to ensure that each location has what it needs to meet the needs of the community.

Text of Tracy Van Dyne’s, Assistant Director, written report dated November 2018 is below:

Main:

- On November 1st, the library began offering Print on Demand museum passes. The following passes are currently being offered as Print on Demand: American Airpower Museum; Children’s Museum of the Arts; Cold Spring Harbor Fire House; Cold Spring Harbor Fish Hatchery; Frick Collection; Garvies Point; Holocaust Memorial; Intrepid Sea, Air & Space; Jewish Museum; Museum of Modern Art; Nassau County Firefighters; Nassau County Museum of Art, NY City Transit Museum (beginning February 2019); Old Bethpage Village; Old Westbury Gardens; Paley Center for
Media; Vanderbilt Museum. This system will allow more patrons the opportunity to use our passes instead of having to wait for a Pick Up/Return pass to come back.

- The information for the Print on Demand museum passes has been updated on the website, in Event keeper, and on all bookmarks and brochures. Staff has been trained in all departments and branches in order to assist our patrons. Additional training is always available if needed.
- I have been holding bimonthly meetings with the Maintenance staff to keep up on what is going on in the building and what large programs/events may be coming up that will need coverage.
- The Children’s Department now has a new app on their Reference computers that will enable them to control their patron iPads. It works similar to Cassie in that patrons can be logged on and off for certain time frames. This will allow parents to control how long their child is on an iPad. Currently, the Main building is using this but the branches will have it added on Thursday, November 8th. Staff is being trained by Rob Mascarelli from Krayon Kiosk on the use of the app.
- On October 26, with the assistance of the Children’s staff I introduced a Pumpkin Decorating program to our holiday programming. Fifty costumed little ones attended and a good time was had by all. Thank you again to everyone who assisted in decorating and during the program itself. It couldn’t have happened without you!
- New shelving for the library will begin arriving on Friday, November 8th. I have been working with Maintenance and Garry Horodyski from IT on preparing all locations before the company comes to begin installation.
- In anticipation of our new STEM Lab, I have been working with Maintenance and Garry Horodyski from IT on moving staff members to their new locations throughout the building. Thank you to everyone for their patience.
- A very large THANK YOU to all of our staff who worked on Election Day. It was a very busy day but everyone was wonderful and professional. They assisted in making the day work more smoothly.
- Welcome to our new hires and congratulations to Margie Chodosch who became our official Head of Reference after being Interim for many years.

Technical Services:
- I have been holding monthly staff meetings with the Technical Services staff. We discuss any issues, concerns, updates and changes that are being made to assist in the department running more smoothly.
- I submit all orders from each department and upload the order records.
- I am continuing to go through each deletion request. I have requested that many of the items be reordered if they are considered to be in unacceptable shape but are frequently used by the community. Items considered for deletion are those that are beyond repair, have unidentifiable markings or stains or are obsolete in their information.
- We have completed intake forms to begin receiving “Shelf Ready” items two of our largest book vendors, Baker & Taylor and Ingram. We are now waiting to hear back with any specifics and different quotes from these vendors. This will assist the Technical Services staff greatly with the heavy load of items that are now coming in as well as filling our patron’s requests in a timely manner.
- Departments have been fulfilling patron requests and ordering items for our foreign language collections. Numerous items are being added to Main as well as the branches who will be receiving some brand-new collections that they have never had before. We are working on making sure that each building has what it needs to fit our communities.

Branches:
- I continue to hold weekly Branch visits as well as monthly Branch Head meetings. Currently the main topic on everyone’s mind is of course the upcoming renovations for Parkville and Station. Topics regarding better publicity, increasing circulation statistics, programming and maintenance are discussed. The branches are always working to better assist their patrons.
- Branch Heads continue to schedule monthly staff meetings with their branch staff as to keep everyone updated.
- We continue to work with MDA Desinggroup, our space planner for the Parkville and Station branches. MDA is currently working on updated construction documents to be able to move on to the next phase of our renovations.
- Quotes for new furniture for the Lakeville branch are under discussion. We are looking to replace the tables, chairs, computer chairs, Circulation desk chairs and to add some additional storage seating in the Children’s area as well as repaint the walls.
