Walk-ins Welcome

You may be astounded to learn that New York has never been self-sufficient in meeting its need for blood. There is no substitute for human blood and 1 in 3 adults will require a blood transfusion at some point in our lives. You can help remedy this situation by donating blood and giving the "Gift of Life"

Eligibility Criteria:

- **Bring ID with signature or photo**
- **Minimum weight 110 lbs.**
- **Age 16 – 75 (16 year olds need parental permission. Age 76 and over need doctor's note)**
- **Eat well (low fat) & drink fluids**
- **No tattoos for past 12 months**

Remember, Blood is Life... Pass It On!

For medical eligibility please call 1-800-688-0900
